FILMING NOTIFICATION

UPDATE

Dear Merchant/Resident, March 28th, 2019

This letter is to inform you that we will be in your neighborhood to film exterior scenes for a movie currently entitled “FFF” on Fedora St adjacent to 2698 Pico Blvd. Los Angeles 90006.

There will be preparatory work at the location on Friday March 29th at 7:00am and start filming at around 10:00 am. We will complete filming by 7:00pm. After we complete filming we will clean up and restore the property and fully vacate by 7am on Saturday March 30th.

During our activity we are requesting “No Parking” signs on the following streets:

East side of Fedora from Pico southwards to 1324 Fedora St. 3/28 7am continuous through 3/30 7am.
West side of Fedora from Pico southwards to 1321 Fedora St. 3/29 7am to10pm
South side of W 15th St from S Normandie Ave to S Kenmore Ave. 3/28 6pm continuous through 3/30 7am.
South side of Pico from S Mariposa Ave to S Kenmore Ave. 3/29 11am to 10pm
Both sides of W 15th St from Normandie Ave 150 feet westwards (width of the parking lot) 3/28 6pm continuous through 3/30 7am.
Both sides of W 14th St from Normandie Ave 150 feet westwards (width of the parking lot) 3/28 6pm continuous through 3/30 7am.
East side of S Mariposa Ave from Pico southwards 300 feet to 1331 S Mariposa Ave. From 3/28 6pm continuous through 3/30 7am.

LAPD Officers will conduct a full street closure on Fedora St from Pico southwards to 1313 Fedora St. as well as intermittent traffic control on Pico at various times during our filming. However, everyone will be able to access their homes, driveways and businesses.

These scenes will depict a simulated car crash where a car mounts the sidewalk on Fedora. Small pyrotechnic “trip switches” will simulate the hood popping up as the car mounts the sidewalk. There will be an east side sidewalk closure on Fedora 3/29 from 10:00am – 7pm.

Our working trucks will arrive late Thursday night / early Friday morning and will be parking in the St Sophia Cathedral lot at 2700 W 14th, on the south side of 15th Street from S Normandie Ave to S Kenmore Ave. and on the east side of Mariposa from Pico 300 feet southwards to the parking lot. They will leave late Friday night March 29th / early Saturday morning March 30th.

We understand that we are guests in your neighborhood. We will make every effort to minimize our impact accordingly. If you have any concerns or comments, please contact me or Film LA at (213) 977-8600. We thank you in advance for your support of the Film Industry in Southern California.

FILMING NOTIFICATION

UPDATE

Dear Merchant/Resident, March 28th, 2019

This letter is to inform you that we will be in your neighborhood to film exterior scenes for a movie currently entitled “FFF” on Fedora St adjacent to 2698 Pico Blvd. Los Angeles 90006.

There will be preparatory work at the location on Friday March 29th at 7:00am and start filming at around 10:00 am. We will complete filming by 7:00pm. After we complete filming we will clean up and restore the property and fully vacate by 7am on Saturday March 30th.

During our activity we are requesting “No Parking” signs on the following streets:

East side of Fedora from Pico southwards to 1324 Fedora St. 3/28 7am continuous through 3/30 7am.
West side of Fedora from Pico southwards to 1321 Fedora St. 3/29 7am to10pm
South side of W 15th St from S Normandie Ave to S Kenmore Ave. 3/28 6pm continuous through 3/30 7am.
South side of Pico from S Mariposa Ave to S Kenmore Ave. 3/29 11am to 10pm
Both sides of W 15th St from Normandie Ave 150 feet westwards (width of the parking lot) 3/28 6pm continuous through 3/30 7am.
Both sides of W 14th St from Normandie Ave 150 feet westwards (width of the parking lot) 3/28 6pm continuous through 3/30 7am.
East side of S Mariposa Ave from Pico southwards 300 feet to 1331 S Mariposa Ave. From 3/28 6pm continuous through 3/30 7am.

LAPD Officers will conduct a full street closure on Fedora St from Pico southwards to 1313 Fedora St. as well as intermittent traffic control on Pico at various times during our filming. However, everyone will be able to access their homes, driveways and businesses.

These scenes will depict a simulated car crash where a car mounts the sidewalk on Fedora. Small pyrotechnic “trip switches” will simulate the hood popping up as the car mounts the sidewalk. There will be an east side sidewalk closure on Fedora 3/29 from 10:00am – 7pm.

Our working trucks will arrive late Thursday night / early Friday morning and will be parking in the St Sophia Cathedral lot at 2700 W 14th, on the south side of 15th Street from S Normandie Ave to S Kenmore Ave. and on the east side of Mariposa from Pico 300 feet southwards to the parking lot. They will leave late Friday night March 29th / early Saturday morning March 30th.

We understand that we are guests in your neighborhood. We will make every effort to minimize our impact accordingly. If you have any concerns or comments, please contact me or Film LA at (213) 977-8600. We thank you in advance for your support of the Film Industry in Southern California.
